4. The Applicant agrees to execute or deliver without cost or charge to the Cooperative, and on its demand, any easement or easements requested by the Cooperative and by it deemed convenient or necessary for the operation or maintenance or construction of an electric transmission or distribution line or system, whether or not said line or system directly serves or benefits Applicant.

5. The Applicant, by becoming a member, assumes no personal liability or responsibility for any debts or liabilities of the Cooperative, and it is expressly understood that under the law their private property is exempt from execution for any such debts or liabilities.
